

**2ND EUROPEAN COURSE
SPINE INTERVENTIONAL
NEURORADIOLOGY**

NAPLES, OCTOBER 26-29, 2011

Course Director: Mario Muto, MD

This is to announce the 2nd European Course on Spine Interventional Neuroradiology that will be held in Naples, Italy, from the 26th through the 29th of October, 2011.

- You can find the program in the attached PDF files

The course is reserved only to 20 participants.

The Pierre Lasjaunias Diagnostic and Interventional ESNR Diploma represent a preferential selection criteria of the participants.

The fee of the course is 900.00 Euro.

This include :

- The participation to all the lectures and hands on course.
- A CD rom with files of articles related to the lectures.
- Coffee breaks, lunch and one social dinner
- Transfer from and to the Biotechnology research lab

The hotel is not included in the fee; the organization can provide help on this, according participants request.
